

Please do not take my air1 station away from me and my family. It is the only way to hear great christian music for my son and myself. I'm trying to raise a son who has a choice of music and of coursethe music i hope he choses is air1. please consider not regulating the airwaves or whatever is you are thinking of doing not only for me and my son but also for families all over the united states and also the soldiers that are fighting in iraq.

Sincerly
